A group of lads, all aged 40, discussed where they should meet for a reunion lunch. Finally it was agreed that they would meet at Le Manoir in Pointe Claire because the waitresses had big breasts and wore mini-skirts.

Ten years later, at age 50, the friends once again discussed where they should meet for lunch. Finally it was agreed that they would meet at Le Manoir in Pointe Claire because the food and service was good and the beer selection was excellent.

Ten years later, at age 60, the friends again discussed where they should meet for lunch. Finally it was agreed that they would meet at Le Manoir in Pointe Claire because there was plenty of parking, they could dine in peace and quiet, and it was good value for money.

An old Doberman starts chasing rabbits and before long, discovers that he's lost.

Wandering about, he notices a panther heading rapidly in his direction with the intention of having lunch.

The old Doberman thinks, "Oh, oh! I'm in deep trouble now!"

Noticing some bones on the ground close by, he immediately settles down to chew on the bones with his back to the approaching cat.

Just as the panther is about to leap, the old Doberman exclaims loudly, "Boy, that was one delicious panther! I wonder, if there are any more around here?"

Hearing this, the young panther halts his attack in mid-strike, a look of terror comes over him and he slinks away into the trees.

"Whew!," says the panther, "That was close! That old Doberman nearly had me!"

Meanwhile, a squirrel who had been watching the whole scene from a nearby tree, figures he can put this knowledge to good use and trade it for protection from the panther.

So, off he goes.

The squirrel soon catches up with the panther, spills the beans and strikes a deal for himself with the panther.

The young panther is furious at being made a fool of and says, "Here, squirrel, hop on my back and see what's going to happen to that conniving canine!"

Now, the old Doberman sees the panther coming with the squirrel on his back and thinks, "What am I going to do now?," but instead of running, the dog sits down with his back to his attackers, pretending he hasn't seen them yet, and just when they get close enough to hear, the old Doberman says ..."Where's that squirrel? I sent him off an hour ago to bring me another panther!"

Moral of this story...

Don't mess with the old dogs !!!
