About the libraries

Oswego County has eleven public libraries that are all members of the North Country Library System (NCLS). NCLS provides delivery, Information Technology support, online catalog and electronic resources, education and training, grants, and other cooperative and collaborative services.

Each of the eleven public libraries are separate entities that are governed by their own board of trustees, policies, and operating budgets.

Due to their membership in NCLS, the libraries all do have much in common. Among these are an online library catalog, electronic databases, library resource sharing system, and the manner in which patrons access these resources.

How to use the online catalog

www.ncls.org

1. Type in the 13 digit number on the back of your library card
2. Type in your 4 digit PIN (usually the last 4 digits of your phone #)
3. Search for books and other library materials. To place a hold, click ‘Place Hold’.
4. You are notified when the held items are available for pick-up. It’s that easy!
