The NCPL Directors Organization may submit an amendment to the NCLS Board of Trustees at any time during the year for the Board's consideration.

SECTION 4 – GOALS / RESULTS

4.1 MISSION STATEMENT:

- The NCLS Professional staff makes library visits to assist in weeding and collection development.
- NCLS continues to maintain a database of NCLS and all member library holdings to enhance cooperative system sharing.

3. Intended Result(s):

Improve and extend the overall library collections in member libraries to meet the needs of their patrons and the patrons of all libraries in the system.

4. Evaluation Method(s):

Count of NCLS consultant library visits, database usage counts, interlibrary loan counts, Annual Survey of Services.
